Definitions

The following words and terms, when used in these rules and regulations, have the following meanings:

1. **Supervising/Directing Physician:** A person holding current unrestricted license to engage in the practice of medicine or osteopathy. Other physicians who act on a referral basis with athletic trainers will hold a current unrestricted license to engage in the practice of chiropractic, dentistry, optometry, and podiatry in the state of Arkansas.
2. **Sanctioned Recreational Sports Activities:** Any athletic or team activity which requires physical strength, agility, flexibility, range of motion, speed or stamina and meets one or more of the following:
 - a. Has officially designated coaches who have the responsibility for athletic activities of the organization;
 - b. Has a regular schedule of practices or workouts that are supervised by the officially designated coaches;
 - c. Is an activity generally recognized as having an established schedule of competitive events or exhibitions;
 - d. Has a policy requiring documentation of having passed a pre-participation medical examination conducted by a licensed physician as a condition for participation for the athletic activities of the organization;

3. **Certification Examination:** Reliable, legally defensible examination approved by the board for determining minimum competency in athletic training.
4. **Licensure Examination:** An examination administered for those athletic trainers who are certified and certified through the grandfathering process by the National Athletic Trainers Association on December 31, 1969.
5. **Limited Competition:** Shall allow visiting athletic trainers appropriately credentialed in their own state to perform athletic training in the state of Arkansas in a traditional setting for a time period not to exceed 14 days. However, while in the state of Arkansas, all athletic trainers must abide by Arkansas laws, rules, and regulations. Any person providing athletic training duties beyond the 14 days shall be subject to licensure requirements. Any person seeking exemption from this requirement must submit such request in writing to the Arkansas State Board of Athletic Training.
6. **Supervision of the athletic trainer in a clinical setting:** The supervising physical therapist must be readily available for consultation for the care of the athlete but not necessarily on the premises.
7. **Supervision of the athletic trainer in a non-clinical traditional setting:** The supervising physician must be readily available for consultation for the care of the athlete but not necessarily on the premises. The supervising/directing physician must submit an annual Physician Direction Form to the Arkansas State Board of Athletic Training with the athletic trainer's licensure/permit request to the State of Arkansas.
8. **Supervision of athletic training interns or students:** Athletic training interns or students performing acts of athletic training incidental to their courses of study must be under the supervision of a licensed athletic trainer. Supervision means daily personal/verbal contact at the site of supervision between the athletic training student and the licensed athletic trainer who plans, directs, advises and evaluates the students' athletic training field experience. The licensed athletic trainer shall be physically present to intervene on behalf of the athlete.
9. **Athletic Training does not include** activities such as prophylactic taping, stretching, first aid, and referral of injured/ill athletes to appropriate medical personnel or facility. These services are considered "sports first aid". Athletic training does include return to play decisions, modality treatments and rehabilitation.
