First Responder: P.R.E.P.A.R.E. brochure presented by Ron Carroll.

New definitions for Rules and Regulations:

Motion made by Michael Johnson:

Athletic Training does not include activities such as prophylactic taping, stretching, first aid, and referral of injured/ill athletes to appropriate medical personal or facility. These services are

considered “sorts first aid”. Athletic training does include return to play decisions, modality, and rehabilitation treatments.

2nd by Ron Carroll
Vote 4-1

Motion by Terry DeWitt: Athletic training interns or students performing acts of athletic training incidental to their courses of study must be under the supervision of a licensed athletic trainer. Supervision means daily personal/verbal contact at the site of supervision between the athletic training student and the licensed athletic trainer who plans, directs advises and evaluates the students’ athletic training field experience. The licensed athletic trainer shall be physically present to intervene on behalf of the athlete.

2nd by Michael Johnson
Vote: 5-0
